Special thanks to the many volunteers who donated their time - whether it was an hour or all weekend. We could not have done it without you!

Thanks to your support of Taste of Wisconsin™ over the past eleven years, the Kiwanis Club of Western Kenosha has provided a better quality of life for our area's youth, elderly and disadvantaged.

We do this through programs such as Terrific Kids, Kiwanis Youth Baseball, and iPads for the Kiwanis Autism Project. We contribute to the Shalom Center's shelter and food pantry and provide financial support to many other area charitable organizations.
